Scripture Mark 9:38-40

Sermon Title Why can't we be friends?

Committed to the orthodoxy of God's word

Who was this man casting out demons in Jesus name?

Too often we are judgemental: Acts about baptism

1) positive but 2) tried to stop him. Saul prophesizes
either/or both/and Rom 14 food

Matthew 7:21 sad day when Lord doesn't know you.

it does not matter what we do in public rather than in private and in your heart.

why are we so quick to pick out what divides us rather than what unites us

Is it doctrinal purity or seeking the lost

Jesus would ask so should we.

Baskin - Robbins will always find out (meme)

Gal 5:19 when you follow your own inclinations like-mindedness does tend to myopic, get out to others → humility births mercy

1) need to be focused on the main points

2) need to allow time ~~for~~ ^{and} patience for growth

Act 18:25-26 took aside and explained more accurately

Ps 119:37 Phil 2:12 everyone has their own agenda

all the time

Most disagreements on secondary issues made primary

faith/works = both/and Wrath/love Pollyanna's

more versus on gladness than sadness

legalism/easy grace intellectual/inspirational
